**Dear sir/mam**

I am writing to express my interest in becoming an apprentice as a current school leaver, who is pursuing a lifelong dream of becoming a qualified technician. I have developed a strong foundation in mechanical principles, problem solving decision making amongst the many. I am eager to apply my theoretical knowledge and practical skill in the real world

My academic course has provided me with a solid foundation in the key mechanical principles basic operations of systems. I wish to acquire more crucial skills in your firm and fill me with the career aspirations and values. I am confident that this approach will provide me with invaluable hands-on experience and the chance to learn from the industry experts

I'm eager to bring my strong work ethic, enthusiasm and willingness to learn

Thank you for your time and consideration for my applications

Sincerely,  
Magida F.D
