### TO WHOM IT CONCERNS

This is to give a letter of Reference for Mr.G.D.B. SOMASIRI (ID # 12419)

This is to verify that this employee had been employed with Al Mawarid Services Ltd., as an Armature Winder from April 1990 through to March 1995. He had been attached to our maintenance department of Riyadh City Cleaning Project.

During this five year period he had been involved in a varied form of electrical repair that encompassed an assortment of industrial & domestic motor rewind. There after the testing of which he was responsible for, to see if they came-up to our & the manufacture specification.

Allow me here to give a more detailed summery.

- The repair & rebuild of industrial & domestic motor's (as the following, Alternators; dynamos; A/C & D/C electrical equipment and also generator's).
- Armature rewinds.
- Rotor's & magnetic coil's.
- Maintenance & serviceing of the above, such as,
  1. Synchronous motor's
  2. Squirrel cage motor's
  3. Fractional Horse power motor's
  4. To name a few

To also add, he has completed the test procedures without the requirement of supervision & with great satisfaction. He has shown that he can read and relate to wire diagrams skillfully.

As a character reference I would promote him as being honest & conscious.

Yours Sincerely,

Trevor Say  
Workshop Manager.

## TO WHOM IT MAY CONCERN

G.D. Bandula Somasiri is employed our Establishment, since April 1982, as a Mechanic Helper, directly under my supervision and Control.

During this period, while he is with us , I am greatly impressed by his talents and his initiative and drive. He has proved himself as an excellant worker, and he is well aware of all aspects of Mechanic Helper, whether it is diesel or petrol engine, and enjoys my confidence.

He bears an excellant moral character, loyal and energetic fellow and he is very punctual to work.

I am confident that he would give a good account of himself, wherever he may be employed.

I wish him well.
