## Marine Electrician

### PERSONAL INFORMATION

---

- **Date & Place of Birth:** October 14, 1992, Algeria
- **Nationality:** Algerian
- **Marital Status:** Single
- **Driving License:** Category B

### PROFILE

---

Dedicated and skilled Marine Electrician with over six years of hands-on experience in the Algerian Navy, specializing in the maintenance and repair of electrical systems on marine vessels. Known for strong problem-solving abilities, attention to detail, and a commitment to safety and precision in demanding environments. I am now seeking a new opportunity to apply my expertise in a challenging and dynamic setting where I can grow professionally, contribute to team success, and continuously enhance my technical skills.

### EDUCATION

---

<b>High School Diploma</b> Kaaouach Omar & Maqoura Jamila Secondary School – Jijel, Algeria.	<b>June 2011</b>
<b>Vocational Training Certificate – Level 2</b> Higher School of Maritime Studies. <i>Specialization: Portable Marine Electronics</i>	<b>2012–2014</b>
<b>Marine Electrician Certificate</b>	<b>2017–2018</b>

### PROFESSIONAL EXPERIENCE

---
