EDUCATION

- 2019-2023
ANNA UNIVERSITY CHENNAI
• B.E Civil engineering

- 2016-2018
VOCATIONAL HIGHER SECONDARY
• Government higher secondary school, Pullanur, Malappuram

SOFTWARE KNOWLEDGE AND SKILLS

- PROJECT MANAGEMENT
- AUTOCAD (2D,3D)
- SKETCH UP
- LUMION
- MICROSTATION
- NAVISWORKS
- CRITICAL THINKING

LANGUAGES

- English
- Malayalam
- Hindi
- Tamil

PROFILE

I am an organised, efficient and hard working person, and am willing to discover and accept new ideas which can be put into practice effectively. I am a good listener and learner, able to communicate well with a group and on an individual level. I am able to motivate and direct my talents and skills to meet objectives.

WORK EXPERIENCE

- PRAKASH ASSOCIATES** 2025- PRESENT
Site Engineer&Draftsman
 - Prepared detailed 2D drawings and 3D models using AutoCAD, SketchUp, and other relevant software
 - Supervised execution of structural works including steel structures, foundations, and finishing works
 - Maintained daily site reports, tracked progress, and assisted in material estimation and procurement.
- LANDARTISTRY** 2024 -2025
Site Engineer
 - Supervised and executed steel structural works, including erection and alignment of columns, beams, and trusses.
 - Coordinated and managed foundation works, such as excavation, PCC, footing, and reinforcement installation, ensuring structural stability and safety.
 - Oversaw overall structural work at the site, ensuring compliance with drawings, codes, and quality standards
 - Implemented and monitored rammed earth construction, integrating sustainable building techniques with modern engineering standards
 - Collaborated with architects, consultants, and contractors to ensure timely progress and adherence to project specifications.
 - Conducted site inspections, quality checks, and ensured HSE compliance on a daily basis.
 - Prepared daily reports, work schedules, and materials requisition in coordination with the project engineer.
- CADD CENTER** 2023-2024
Faculty
 - Delivered hands-on training in AutoCAD, SketchUp, and Lumion to students and professionals from architecture and civil engineering backgrounds
 - Delivered hands-on training in AutoCAD, SketchUp, and Lumion to students and professionals from architecture and civil engineering backgrounds
 - Guided students through real-world design projects, enhancing practical skills in 2D drafting, 3D modeling, and rendering techniques
