PROFESSIONAL TITLE

Electrician

PROFESSIONAL SUMMARY

I am a qualified electrician with MSc degree in Industrial Automation and Control, which has given me a strong foundation in electrical systems, control circuits, and safety practices. I hold the Professional Competence Certificate of Electrical Installation Grade 1, the highest certification level in Ethiopia, validating my ability to perform advanced electrical work in residential, commercial, and industrial settings. I have a proven track record in facilities and service coordination, supported by strong leadership, reliability, and adaptability in dynamic, fast-paced environments. Currently residing in Doha, I am available for immediate employment.

WORK EXPERIENCE

Instructor

Lideta Manufacturing College [February 2015 – March 2025]

City: Addis Ababa

Country: Ethiopia

- Maintained, diagnosed, and repaired automation training kits, control panels, and motor control systems.
- Oversaw electrical lab equipment and taught practical courses in industrial electrical systems and automation.
- Managed routine facility maintenance including lighting, wiring, and small repair works.
- Supervised technical training practical lab sessions.
- Managed safety compliance and practical training environments
- Developed Curriculum and Training Materials
- Led Electrical/Electronics training Department

Cigarette Packing Machine Operator

National Tobacco Enterprise [November 2014- November 2018]

City: Addis Ababa

Country: Ethiopia

- Operated and maintained high-speed cigarette packing machines
- Assisted in repairing control panels, air compressors, and electrical supply units.
- Conducted equipment inspections to reduce downtime and ensure efficiency.
- Supported preventive maintenance schedules
- Conducted regular quality checks
- Trained new staff on machine operation, and safety
- Kept detailed records of machine performance and maintenance
