Summary

I have always had a great desire to give my family as a great a start in life as possible. I started my career working in the Philippines but moved to Qatar as the salary was higher. Here I was a hardworking and loyal employee to Arab Qatari Poultry, having worked there for nearly 20 years. I was promoted in 2010 for good performance to a driver. I always enjoyed driving as I have real passion for motor vehicles and drive my modified Honda Civic for fun on the weekends. I am a dedicated, loyal and hard-working employee. I have an expert knowledge of the roads and locations in Qatar and have a good grasp of multiple languages, including speaking my mother tongue Tagalog and Arabic fluently. I am looking for a new opportunity where I can use my skills and experience to help improve business performance, driver productivity and ultimately customer experience.
