WORK EXPERIENCE

DRAFTSMAN AT HANDICRAFT – (Birkat Al Awamer-QATAR) August 2021 to

1. Collaborated with designers and architects to ensure cohesive villa aesthetics.
2. Developed conceptual sketches and renderings for furniture pieces and tile/gypsum installations, considering style, functionality, and spatial requirements.
3. Created detailed CAD drawings and specs for construction.
4. Assisted in material selection and customization for clients.
5. Liaised with suppliers and contractors for accurate execution.
6. Conducted quality inspections during fabrication and installation.
7. Optimized layout considering flow and ergonomics.
8. Maintained organized documentation and communicated effectively with clients.
9. Stayed updated on design trends for continuous improvement.

DRAFTSMAN AT Adhikari engineering construction pvt. Ltd. (branch office of BSA engineer, USA) – Pokhara Nepal) February 2018 to March 2021.

-As a skilled timber house draftsman, I specialize in crafting comprehensive drawings and plans for timber-framed residences. My responsibilities encompass designing intricate floor plans, elevations, and structural details, all while adhering to stringent building codes and regulations. I actively collaborate with architects, engineers, and clients to transform conceptual visions into tangible, aesthetically pleasing timber house designs. With a wealth of experience in this field, I consistently deliver high-quality solutions that meet both functional and aesthetic requirements.

CIVIL SUPERVISOR Global Construction Consultancy - Birgunj February 2017 to April 2018.

-Managed construction crews and subcontractors, supervised activities to ensure safety, schedule, and budget adherence, interpreted blueprints and specifications for accurate implementation, monitored progress and quality, and organized tasks, equipment, and materials for efficiency.

EDUCATION

-Diploma in Civil Singhania University - Delhi December 2014 to May 2017.

-High school Shree ram janki higher secondary school - Janakpur July 1995 to July 2008.
