About Me

I am a reliable and safety-conscious light vehicle driver with over a decade of experience working across Qatar in corporate, luxury, and event-based environments. Known for punctuality, professionalism, and excellent route planning, I have a proven track record in delivering high-quality service to clients and employers. I hold a valid Qatar driving license, possess defensive driving certification, and have extensive knowledge of local road regulations and HSE standards.

Professional Experience

FREELANCE DRIVER

2024 – Present

Events Management Qatar

Provide reliable transportation services for high-profile events, VIP clients, and event staff.

- Ensure timely pickups and drop-offs at venues, hotels, and airports.
- Coordinate with event organizers to align with logistics schedules and last-minute changes.
- Maintain vehicle cleanliness and readiness for luxury and high-visibility events.
- Demonstrate strong communication and professionalism in fast-paced environments.

LIGHT VEHICLE DRIVER / MESSENGER / STOREKEEPER

2023 – 2024

Rullart Gift & Luxuries – Qatar

Delivered high-value gift items and luxury goods to clients and retail partners across Qatar.

- Managed store inventory, tracked stock levels, and assisted in organizing product displays.
- Performed document delivery and internal messaging across departments and external offices.
- Maintained accurate delivery records and ensured timely, safe transportation.
- Provided excellent customer service and upheld confidentiality in all client interactions.

LIGHT VEHICLE DRIVER – LUXURY CARS SECTION

2022 – 2023

Al Fardan Prestige Cars – Qatar

Operated and transported luxury vehicles for VIP clients, showroom displays, and service appointments.

- Ensured vehicles were maintained in pristine condition before and after every assignment.
- Assisted customers with pick-up and drop-off services, delivering a premium client experience.
- Coordinated with service advisors and sales teams for vehicle readiness and schedule planning.
- Adhered to strict safety protocols and driving standards suited for high-value vehicles.
