Education

2007 - 2009

Matric

BISE Sargodha

2010 -2013

**Diploma Of Associate Engineering
MECHANICAL (DAE 3 YEARS)**

Sargodha Board

Expertise

Good Communication Skills.

Time Management Skills.

**Knowledge of Basic Electrical
Theory.**

Maintenance

inspection

Termination

Team work

Language

English

URDU

Skill

Study of electrical work and installing equipments.

***Inspection and Testing (Resistance & IR Test) of
electrical equipments such as (circuit breaker, drill
machine, cable try etc).***

**Minuteness work and repairing work grander, hilty, drill
machine welding plant.**

installation lights and switches installation, Fire Alarm

panel, smoke detector height detector and

communication system installation.

Termination power and control cable.

Basic knowledge of MICC cable.

Termination and work at cable dressing

Continuity of cable and electrical equipments

**Maintenance, Inspection & Checking of Plant Electrical
shutdown jobs**

Continuity and IR Test of Power (LV) and Control Cables

**Fully involved in Electrical work , Maintenance
electrical cable**

Work Experience

JOB: 1

Designation : Electrical Technician

Organization : REDCO INTERNATIONAL COMPANY

Project Type : QATAR

Duration : (02-09-2023 TO till date)

JOB: 2

Designation : Electrical Technician

Organization : THE WANHAR CARRIERS SERVICE ROAD

Project Type : MAPLE LEAF FACTORY

Duration : (05-09-2016 TO 03-07-2017)

JOB: 3

Designation : Electrical Technician

Organization : CHINA NATIONAL ELECTRIC WIRE & CABLE

Project Type : REHAB & MODRNZTN OF JINNAH BARRAGE

Duration : (17-09-2015 TO 13-03-2016)

JOB: 4

Designation : Electrical Technician

Organization : I KAN ENGINEERING (PVT) LTD

Project Type : ZRK MDF PROJECT KPK

Duration : (19-03-2014 TO 24-07-2015)

JOB: 5

Designation : Electrical Technician

Organization : ETIMAAD ENGINEERING (PVT) LTD

Project Type : FAUJI CEMENT FACTORY

Duration : (11-02-2013 TO 22-01-2014)

REEFRECE

References Available Upon request

Supervised the electrical works such as cable tray installation, power and control cable pulling.

Minuteness work and repairing work grander, hilty, drill machine welding plant. Termination power and control cable.

installation MDB & MCB panels and ATS panels. lights and switches installation, Fire Alarm panel, smoke detector height detector and communication system installation. Split unit.
