OBJECTIVE

To serve the industry in the best possible way I can afford to and making the best use of my skills. Looking for challenging opportunities to utilize my background and experience in Customer Relation environment in order to enhance self-growth.

EXPERIENCE

Style Limousine Qatar (Driver)

(Apr 2025 till date)

- Provided safe, courteous, and timely transportation to passengers.
- Navigated efficiently using GPS and real-time traffic apps to optimize routes and minimize delays.
- Maintained a clean and well-maintained vehicle to ensure passenger comfort and safety.
- Ensured compliance with local traffic laws, regulations.
- Adapted to diverse passenger needs including airport trips, business meetings, and special requests.
- Managed daily vehicle inspection, fuel, and maintenance logs for operational efficiency.
- Resolved customer concerns professionally, enhancing rider satisfaction and repeat usage.

G4S Security Services Qatar (Security Guard)

(Nov 2023 -Jun 2024)

- Ensured the safety and security of embassy premises, staff, and visitors by monitoring and controlling access points and security systems.
- Conducted regular patrols of the embassy grounds, checking for any security breaches, hazards, or suspicious activity.
- Conducted routine inspections of doors, windows, locks, and other security features to ensure they were in proper working condition.
- Ensured compliance with embassy security protocols and regulations, reporting any deviations or concerns to higher authorities.
- Worked closely with embassy staff to create a safe and secure working environment, responding to their needs and concerns as appropriate.
- Managed crowd control during special events or high-profile visits, ensuring order and maintaining a calm atmosphere.

UNIQUE TRAVEL AND TOURS.

(Sep 2021 – Feb 2023)

(Tourist Vehicle Driver)

Based in Lahore Pakistan

- Safely driving the tourist vehicle to and from different tourist destinations across northern Pakistan (such as Murree, Naran, Kaghan, Hunza, Skardu, etc.).
- Having in-depth knowledge of the major tourist routes, road conditions, and alternative paths in mountainous areas, ensuring timely arrivals and departures.
- Ability to drive safely in hilly, winding, and sometimes hazardous road conditions in the northern regions (including snowy roads, narrow mountain paths, and unpaved roads).
- Being friendly and polite with tourists, providing information on local landmarks, history, and attractions.
- Helping with loading and unloading luggage, ensuring it is securely stored in the vehicle.
- Ensuring the comfort of the passengers, managing air conditioning or heating, and maintaining a safe, relaxed atmosphere within the vehicle.
- Helping plan efficient and scenic routes for sightseeing, based on the tourists' preferences and the weather.
- Ensuring timely arrivals at scheduled stops, coordinating with local guides or tour operators for smooth transitions between sightseeing activities and overnight stays.

SILK Logistics & Shipping

(Nov 2020-May 2021)

(Cargo Transport Driver)

Based in Lahore Pakistan

- Safely Operated heavy and light commercial vehicles for local and long-distance cargo transportation.
- Ensured timely delivery of shipments while adhering to schedules and client requirement.
- Inspected and maintained vehicles, conducting routine checks for safety and operational efficiency.
- Managed the secure loading, unloading and handling of cargo to prevent damage during transit.
- Monitored GPS and tracking systems to optimize routes and minimize fuel consumption.
- Prepared and maintained delivery logs, trip reports and other transportation documents.
- Complied with traffic regulations, company policy, and safety standards at all time.
- Communicated with dispatch teams and clients to address transportation inquiries and resolve delivery issues.

AWARDS AND ACHIEVEMENTS
