Work Experience

3D Designing

Islamabad

June 2017 to Present

Hello.

I'm Rana Abdul Majid living in Islamabad / Lahore Pakistan.

I'm writing to apply as 2d/3d designer in your company. I have 2 Years certificate in CAD (Computer Aided Design) which includes AutoCAD, 3ds max, Autodesk Maya, Zbrush, Lumion render, Revit and few others design software's.

I have good experience in CAD modelling and rendering especially in Autodesk Maya. My current responsibilities are to understand engineers drawings and convert them into CAD drawings, creating 3D models from AutoCAD drawings in 3ds max, Object Modelling in Autodesk Maya and animating different objects and rendering in Autodesk Maya for presentations or TV ads.

I can be reached anytime at my given contact on email, call, message, or WhatsApp. Thank you for your time and I'll look forward for your company's response to me for this job opportunity.

Thank you
