SUMMARY

I am an experienced Architect with over 7 years of expertise in architectural design, drafting, and multidisciplinary coordination across Qatar, Pakistan, and Saudi Arabia. I am highly proficient in AutoCAD and have working knowledge of Revit, with strong familiarity with Qatari regulations including QCDD and Ashghal standards.

My background includes heritage conservation, renovation planning, and active collaboration with MEP and structural teams to deliver compliant and buildable designs. I am currently available in Qatar with a transferable visa and NOC.

KEY ACHIEVEMENTS

- Heritage Buildings Restoration**
Contributed to the restoration of Doha's Al Asmakh Heritage District, aligning with national heritage conservation standards and objectives.
- Enhanced Design Efficiency**
Led multi-disciplinary coordination (architectural, MEP, structural), improving design accuracy and reducing site issues.
- Accelerated Project Delivery**
Delivered accurate drawings for residential, commercial, and institutional projects aligned with QCDD, Ashghal, and Civil Defense standards.
- Concept Design Development**
Skilled in AutoCAD, Revit, SketchUp, and 3Ds Max, enhancing technical and visual outputs.
