## PROFILE

Dedicated and disciplined professional with over a decade of experience in driving, messenger services, and aviation operations. Well-versed in secure document handling, airport logistics, and multi departmental coordination. Demonstrates strong knowledge of transport routes, government office procedures, and safety regulations. Holds a valid Qatari light vehicle license and completed ramp safety training. Brings excellent communication skills in multiple languages, commitment to punctuality, and the ability to work effectively under pressure.

## WORK EXPERIENCE

### Messenger Driver

June 2012 – March 2021

Qatar Aviation Services, Doha, Qatar

- Delivered internal and external documents across airport departments and government agencies with accuracy and timeliness.
- Supported PRO activities by submitting and collecting official paperwork from ministries, ensuring legal compliance.
- Operated safely in airside zones, using lifters and transport equipment while adhering to ramp safety regulations.
- Performed routine vehicle checks and maintained delivery logs to ensure service reliability and operational efficiency.
- Communicated effectively in Arabic and English, known for punctuality, confidentiality, and adaptability under pressure.
