Experience

2025 - Present

Al Sarayia Security
Services Co.

Patrol Driver

Responsible for patrolling and monitoring the Ministry of Commerce and Industry premises to ensure safety and security. Responded promptly to incidents, enforced site rules, and provided assistance to staff and visitors while maintaining accurate security reports.

2023 - 2025

Pada Cleaning and
Hospitality W.L.L

Supervisor

Supervised daily operations of hospitality and cleaning teams, ensuring high standards of service and cleanliness. Managed staff schedules, provided training, and coordinated with clients to meet service requirements and resolve issues efficiently.

2021 - 2023

Tourmaline Engineering
and Services Co.

Costumer Service

Handled client inquiries and service requests, providing accurate information and solutions in a timely manner. Maintained positive customer relations, processed documentation, and supported operational teams to ensure smooth service delivery.

2018 - 2021

Al Hadaf Services Co.

Security Guard

Monitored premises and access points to prevent unauthorized entry. Conducted routine checks, reported incidents, and supported overall site safety and security.

2022 - 2022

MTN Sudan

Accountant (Trainee)

Assisted the accounting department in preparing financial reports, processing invoices, and maintaining accurate records. Gained hands-on experience in accounting software and financial documentation under the supervision of senior accountants.

Education

2016 - 2021

Emirates College for
Science and
Technology

Bachelor of Administrative Sciences (Accounting)

About Me

Motivated and adaptable professional with a Bachelor's degree in Accounting and a diverse background spanning customer service, hospitality supervision, security operations, and accounting. Experienced in working across different industries, including telecommunications, engineering services, and hospitality, with a proven ability to quickly learn new roles and responsibilities. Strong communication, organizational, and problem-solving skills, with a commitment to delivering high-quality results and maintaining professionalism in all tasks.
