Work Experience

Prince Builder – Dubai, UAE

Driver (2015 – 2020)

- Safely operated company vehicles to transport materials, tools and staff to construction sites across Dubai.
- Ensured timely delivery and collection of building supplies, maintaining schedules to avoid project delays.
- Conducted regular vehicle inspections, basic maintenance, and cleaning to ensure safety and reliability.
- Followed all UAE road safety regulations and company protocols.
- Assisted the site team with loading/unloading and basic site support when required.

JMBr Courier Service – Free Zone, Dubai, UAE

Delivery Driver / Courier (Jan 2020 – Dec 2022)

- Collected and delivered parcels, documents, and goods across Dubai Free Zone areas within set deadlines.
- Verified delivery details with clients and obtained proper signatures for proof of delivery.
- Handled cash-on-delivery transactions and maintained accurate delivery records.
- Maintained excellent customer service by ensuring safe handling of items and professional communication.
- Managed route planning for efficient and timely deliveries.
