

GERMAINE ARMIELLE C. RENTORIA

CIVIL ENGINEER

- 👤 Philippine Citizen | Qatar Resident with QID (Under Father Sponsorship)
- 📍 Building 80, Street 700, Zone 45, Doha, Qatar
- 📞 +974 6647 2462 (Ooredoo)
- ✉️ germaine.rentoria.work@gmail.com

Germaine is a fresh graduate Civil Engineer, licensed in the Philippines, with a strong academic background from UP Diliman (Cum Laude) and with an internship experience in high-rise construction projects. She is skilled in AutoCAD, SAP2000, HEC-RAS, and QGIS, with strong analytical and project management abilities. She is a long-time Qatar resident, looking to build a career in Qatar as an entry-level Civil Engineer where she can apply her technical expertise, adaptability, and commitment to excellence.

SKILLS

SOFTWARE SKILLS

- **SAP2000 & MASTAN:** Used to analyze and design a 3-storey concrete structure and to redesign a steel truss & frame system.
- **HEC-RAS & EPANET:** Used for river & flood modeling and analysis as well as pipe layouts and water distribution system modeling, respectively.
- **QGIS:** Used for analyzing and developing landslide vulnerability maps.
- **AutoCAD:** Used to perform rebar cutting lists and draft basic specifications.
- **Blender & SketchUp:** Used for 3D modeling in various projects.
- **Microsoft Office Suite (Word, Excel, PowerPoint) & Google Suite (Sheets, Docs, Slides):** Used to prepare bid documents, specifications, equipment & manpower scheduling, and bill of quantity calculations.

TECHNICAL SKILLS

- **Project Management, Construction Management, and Site Supervision**
- **Basic Cost Estimation and QA/QC**
- **Leadership & Team Management**

WORK EXPERIENCE

CONSTRUCTION ENGINEER INTERN

Cerca Alabang, Makati Development Corporation (MDC) | Manila, Philippines

July 2024 - August 2024

- Worked on two high-rise projects (i.e. Viento Tower 3 & Nuveo Tower 1) for a 200-hr internship program.
- Computed operational efficiency by quantifying idle and billable hours, producing manpower accomplishment reports, and computing productivity rates.
- Drafted rebar cutting list schedules and conducted equipment data monitoring.
- Conducted punch listing, site inspections, and supervised concrete pouring.
- Attended toolbox meetings and developed work permits for laborers.

MULTIMEDIA SPECIALIST

DUCKMedia+ | Manila, Philippines

April 2024 - August 2025

- Coordinated with major brand clients in the Philippines to develop branding strategies and content calendars for social media releases. Remained readily on-call for urgent deliverables.
- Attended national events for media coverage.

BUSINESS DEVELOPMENT MANAGER

Studio CMV | Manila, Philippines

May 2024 - August 2025

- Led the Business Development Associate and Marketing Team in developing initiatives and events to boost client count and social media reach.
- Sent marketing calls and emails to various engineering, architectural, and interior design firms.

SCIENCE & MATH TUTOR

PR1ME Tutorials | Manila, Philippines

September 2023 - April 2024

- Conducted online and physical tutoring sessions to elementary and high school students.

EDUCATION

UNIVERSITY OF THE PHILIPPINES - DILIMAN

August 2020 - January 2025

BS Civil Engineering, Undergraduate Thesis in Geotechnical Engineering
Cum Laude (GWA of 1.54)

PHILIPPINE INTERNATIONAL SCHOOL - QATAR

June 2018 - June 2020

Science, Technology, Engineering, and Mathematics (STEM) Strand
Batch Valedictorian

LEADERSHIP, EVENTS ORGANIZED & AFFILIATIONS
