CAREER OBJECTIVE

Dedicated and detail-oriented **Auto Mechanic** with 7 years of experience in automobile repair, preventive maintenance, and assembly operations. Skilled in diagnosing mechanical and electrical issues, performing efficient repairs, and ensuring vehicles meet quality and safety standards. Seeking to join a reputed automotive company where I can utilize my technical expertise, problem-solving skills, and commitment to excellence to support workshop operations and customer satisfaction.

WORK EXPERIENCE

Madinat Automobiles LLC, Sharjah, UAE

Auto Mechanic

March 2022 – May 2024

- Conducted inspections, troubleshooting, and repairs on gasoline and diesel vehicles.
- Diagnosed engine, transmission, brake, suspension, and steering issues using diagnostic tools.
- Repaired/replaced mechanical and electrical components including wiring, alternators, starters, and batteries.
- Performed routine maintenance: oil and filter changes, wheel balancing, tire rotation, and brake servicing.
- Tested vehicles after repair to confirm performance, reliability, and compliance with safety standards.
- Prepared detailed service reports and updated maintenance logs.
- Assisted in managing spare parts inventory, tools, and workshop equipment.
- Provided technical support to customers, explaining faults and preventive measures.
- Worked closely with supervisors and colleagues to complete repair tasks on time.

Amman Automobiles, Sankarapuram, India

Auto Mechanic

June 2020 – June 2021

- Performed vehicle assembly work on production lines according to set specifications.
- Carried out mechanical installations and basic electrical connections.
- Conducted quality checks on assembled vehicles to ensure compliance with standards.
- Supported workshop housekeeping, 5S, and Kaizen practices to improve efficiency.
- Assisted senior mechanics in repair and service tasks.

Hyundai Motors India Pvt. Ltd., Chennai, India

Auto Mechanic

May 2016 – October 2019

- Worked on vehicle assembly lines for body, engine, and mechanical systems.
- Inspected parts and assemblies for defects and ensured adherence to company standards.
- Performed minor repairs, adjustments, and rework as required.
- Supported preventive maintenance activities for production equipment.
- Maintained workplace safety and compliance with company policies.
