

UZAIR ANWAR

Architect | UPDA | PCATP | M.Arch Heritage Conservation | Design
Coordination | AutoCAD & Revit Proficiency

+974 5599 3842 @ architectuzair@gmail.com Doha, Qatar

SUMMARY

Architect with 8 years of experience in Qatar, Pakistan, and Saudi Arabia, specializing in architectural design, coordination, and heritage restoration. Registered with UPDA (Qatar) and PCATP (Pakistan). Skilled in AutoCAD and Revit with proven ability to deliver compliant, buildable designs aligned with Municipality, Ashghal, and Civil Defense standards. Experienced in multidisciplinary coordination (MEP, Structural) and heritage projects, including Doha's Al Asmakh Heritage District.

KEY ACHIEVEMENTS

Heritage Buildings Restoration

Contributed to Doha's heritage restoration projects, aligning with national conservation objectives.

Accelerated Project Delivery

Delivered 100+ working & compliance drawings approved by QCDD, Ashghal & Civil Defense.

Enhanced Design Efficiency

Reduced RFIs & rework by 30% through effective MEP & structural coordination.

Concept Design Development

Developed concept & working drawings in Revit, preparing full G+1 villa package (plans, sections, elevations, sheets).
