Career Objective

Dedicated and experienced Delivery and Sales Driver with over 14 years of proven success in timely deliveries, route optimization, and customer relationship management. Committed to providing efficient and safe transportation services while consistently exceeding sales targets and ensuring client satisfaction. Seeking a challenging position in a growth-focused organization where I can leverage my extensive driving experience, product knowledge, and strong interpersonal skills to contribute to business success and customer loyalty.

Experience

● Jan 2012 – Jul 2024

Al Shams Trading , Souq waqif, Doha, Qatar.

Delivery Driver / sales Driver

- Transport goods to assigned locations promptly and safely, following all traffic laws and company policies.
- Plan efficient delivery routes to meet delivery schedules and reduce fuel costs.
- Promote and sell products to existing and potential customers along the delivery route.
- Maintain excellent customer relationships to ensure satisfaction and repeat business.
- Load, unload, and verify products against delivery orders or invoices.
- Ensure proper handling and storage of goods during transport.
- Maintain accurate records of deliveries, sales transactions, and customer feedback.
- Collect payments, obtain signatures, and complete required paperwork.
- Conduct regular vehicle inspections and report any maintenance issues.
- Ensure the delivery vehicle is clean, well-maintained, and roadworthy at all times.
