ABOUT ME

A highly skilled and safety-conscious Bus and Truck Driver with over 17 years of experience in public transport, corporate fleet operations, and long-haul trucking. Adept at navigating diverse road conditions, managing strict schedules, and ensuring passenger and cargo safety while maintaining a flawless driving record. Proven ability to operate buses, heavy trucks, and company vehicles with precision, adhering to traffic laws and company policies. Expertise in vehicle inspections, preventive maintenance, and minor mechanical repairs, reducing downtime and enhancing efficiency. Known for exceptional customer service, professionalism, and adaptability in fast-paced, high-pressure environments. Dedicated to providing reliable, efficient, and top-quality transportation services, making me a valuable asset to any organization.

WORK EXPERIENCE

Contract Bus Driver

Mowasalat Karwa [30/08/2021 – Current]

City: Doha | Country: Qatar

- Safely transport an average of 50–70 passengers per trip, ensuring compliance with traffic laws and safety regulations to maintain a 99% accident-free record.
- Maintain an on-time performance rate of 98%, adapting to traffic conditions and using real-time GPS navigation for optimal route planning.
- Conduct daily pre-trip and post-trip inspections, checking brakes, lights, fluid levels, and emergency exits to ensure vehicle safety and regulatory compliance.
- Assist 10–15 elderly or special-needs passengers daily, ensuring proper seating, accessibility, and a comfortable journey.
- Respond swiftly to mechanical issues or passenger emergencies, reducing downtime and ensuring seamless service continuity.
- Monitor fuel consumption and apply eco-friendly driving techniques, achieving up to 15% fuel savings per trip.
- Keep detailed records of mileage, fuel usage, and maintenance schedules, ensuring full compliance with company policies and transport regulations.
- Communicate effectively with dispatch teams, supervisors, and passengers, updating them on route changes, delays, or special requests.
- Participate in ongoing safety and defensive driving training, maintaining a zero-violation driving record.
- Ensure that buses are clean, sanitized, and well-maintained, enhancing passenger experience and upholding company standards.

Tour Bus Driver

Arch Treks & Safaris [01/05/2019 – 30/07/2021]

City: Nairobi | Country: Kenya

- Transported an average of 100–150 tourists daily to various destinations, ensuring a safe, comfortable, and informative travel experience.
- Provided guided tours, offering insights into historical landmarks, cultural sites, and scenic locations, enhancing the overall visitor experience.
- Maintained a 98% on-time performance rate, efficiently managing schedules and adjusting routes based on traffic and weather conditions.

- Conducted pre-trip and post-trip inspections, ensuring that the bus was in optimal condition and compliant with safety regulations.
- Assisted passengers with boarding, luggage handling, and seating arrangements, ensuring accessibility for elderly and disabled guests.
- Responded swiftly to emergencies and mechanical issues, coordinating with maintenance teams and alternative transport services when necessary.
- Followed strict safety and security protocols, ensuring compliance with both local traffic laws and company policies.
- Maintained accurate trip logs, including mileage, fuel consumption, and passenger headcount, for company records and regulatory compliance.
- Delivered exceptional customer service, addressing passenger inquiries, resolving complaints, and providing a friendly and professional atmosphere.
- Kept the bus clean and well-maintained, ensuring a comfortable and hygienic environment for all passengers.

Staff Bus Driver

Alnahdi Police Group [13/04/2012 – 30/12/2018]

City: Doha | Country: Qatar

- Transported an average of 30–50 employees daily between company premises, residential areas, and designated pickup/drop-off points, ensuring timely and efficient travel.
- Maintained an on-time schedule adherence of 98%, minimizing delays and ensuring smooth transportation for staff across multiple shifts.
- Conducted daily pre-trip and post-trip inspections, checking brakes, lights, tires, and fluid levels to guarantee vehicle safety and compliance with transport regulations.
- Followed designated routes and made real-time adjustments based on traffic conditions to ensure the fastest and safest commute for employees.
- Ensured passenger safety by enforcing seating capacity rules, monitoring behavior, and assisting employees with boarding and exiting.
- Kept accurate records of mileage, fuel consumption, and maintenance schedules, reducing breakdowns and improving vehicle longevity through proactive reporting.
- Communicated with transport supervisors and HR teams, providing updates on route changes, delays, and employee transport concerns.
- Delivered excellent customer service, addressing employee inquiries, assisting with lost items, and accommodating special transport requests.
- Adhered to company policies and road safety regulations, maintaining a clean driving record and full compliance with transport laws.
- Executed emergency response procedures when necessary, handling breakdowns, performing minor repairs, and coordinating alternative transport to prevent service disruptions.

Delivery Truck Driver

London Distillers Limited [05/10/2008 – 28/02/2012]

City: Nairobi | Country: Kenya

- Transported an average of 10–15 tons of goods daily across various locations, ensuring timely and safe deliveries while adhering to traffic and company regulations.
- Maintained an on-time delivery rate of 98%, optimizing routes to minimize delays and improve efficiency.
- Conducted daily vehicle inspections, checking brakes, tires, fluid levels, and cargo security to ensure compliance with safety standards and prevent breakdowns.
- Managed loading and unloading of products, ensuring proper handling to prevent damage and verifying shipment accuracy against delivery notes.
- Maintained detailed logs of mileage, fuel usage, and delivery schedules, improving fleet management efficiency and tracking deliveries effectively.
- Communicated with dispatch teams and clients, providing real-time updates on delivery status, delays, and special requests.
- Handled cash and invoice transactions, ensuring correct payments and documenting receipts for company records.

- Navigated urban and rural routes using GPS and traffic monitoring tools, avoiding congestion and ensuring efficient fuel consumption.
- Followed strict safety protocols, securing cargo, adhering to weight limits, and ensuring compliance with transportation and company policies.
- Assisted in basic vehicle maintenance and minor repairs, reducing downtime and ensuring the truck remained in optimal working condition.
