ABDALAH HASSAN

Data Analyst | MBA in Business Administration
Khor Fakkan, Sharjah Emirate, United Arab Emirates

Summary

for my collaborative efforts in tutoring have led to a 20% improvement in student performance, highlighting my commitment to educational excellence and my ability to tailor learning strategies effectively. With a masterful command of Arabic, English, and Somali, I've maximized the potential of diverse learners, demonstrating a unique blend of language skills and pedagogical acumen.

As an MBA graduate specializing in Business Administration and Management, my analytical prowess in Cognos Analytics underpins my success in data-driven educational planning. The fusion of my educational background with my competencies in data analytics empowers me to innovate and excel in both teaching and insightful analysis within the realm of business and education
