

S U M M A R Y

Motivated and detail-oriented professional with a solid foundation in sales, merchandising, and warehouse operations from academic training in business and marketing. Skilled in customer service, inventory management, and creating engaging product displays to drive sales. Proficient in Microsoft Excel for data analysis and inventory tracking, with strong organizational and problem-solving abilities developed through part-time roles in retail and event coordination. Adept at maintaining efficient warehouse operations, including stock organization and order processing. Eager to apply transferable skills in a dynamic retail environment to enhance customer experiences, optimize product placement, and support operational efficiency

E X P E R I E N C E

SALES 07/2025 - 08/2025

NEW ERA TIRES (UAE, DUBAI)

As a sales professional, I conducted market research in the tire industry, successfully identifying and engaging with export customers. By leveraging strong negotiation and relationship-building skills, I established profitable business partnerships, contributing to expanded market reach and revenue growth.
