PROFILE

"Experienced Bus Driver with 12 years in Doha, prioritizing passenger safety, punctuality, and exceptional service. Knowledgeable in local routes, traffic, and regulations, ensuring comfortable and compliant transportation. Dedicated to creating a positive commuting experience".

EXPERIENCE

➤ As Bus Driver | Al Siddqui Hospilaity Holding Company | 2021 - Present

- Monitor and adjust routes to ensure punctuality and avoid traffic delays.
- Handle passenger inquiries and concerns in a professional manner.
- Report incidents, accidents, and vehicle issues promptly.
- Maintain accurate records of mileage, fuel consumption, and passenger counts.
- Collaborate with colleagues and supervisors for smooth bus operations.
- Attend training sessions to enhance driving skills and knowledge of safety regulations.

➤ Assistant Storekeeper | Al Misned Readymix Company | 2010 -2019

- Safely transport construction personnel to and from job sites, ensuring their timely arrival.
- Adhere to traffic laws, company policies, and safety regulations while operating the bus.
- Assist passengers, including construction workers, supervisors, and contractors, with boarding and disembarking.
- Transport construction equipment, tools, and materials as required, ensuring their secure placement during transit.
- Follow designated routes and schedules, considering construction site locations and any road closures or detours.
- Conduct pre-trip inspections of the bus to ensure its mechanical fitness and report any maintenance or repair needs promptly.
- Keep accurate records of mileage, fuel consumption, and passenger counts for reporting and administrative purposes.
- Attend safety meetings and training sessions to stay updated on construction-specific transportation regulations and best practices.
- Communicate effectively with passengers to address any concerns, inquiries, or specific instructions related to transportation.

CURRICULUM VITAE

- Uphold the company's commitment to providing reliable and efficient transportation support for construction operations.
- Demonstrate a proactive approach to ensure passenger safety and actively contribute to maintaining a positive working environment within the construction team.

EDUCATION

- Under S.L.C

PERSONAL DETAILS

- D.O.B: - 1985/08/10 (8 Years old)
- Nationality: - Nepali
- QID: 28552428449
- Place: Doha, Qatar

SKILLS

- Expertise in operating and maneuvering buses in various construction site conditions.
- Strong knowledge of local traffic laws, regulations, and construction-related transportation requirements.
- Proficient in reading and understanding construction site plans, maps, and route instructions.
- Proficient in conducting pre-trip inspections and performing routine maintenance checks on the bus.
- Ability to handle unexpected situations or emergencies calmly and effectively.
- Effective communication skills to interact with passengers, construction site supervisors, and colleagues.
- Strong time management skills to adhere to schedules and deliver punctual transportation services.
- Ability to maintain accurate records of mileage, fuel consumption, and passenger counts.
- Proficient in using GPS navigation systems and other relevant technology for efficient route planning.
- Commitment to following safety protocols, including the use of seat belts and adherence to company policies.
- Exceptional customer service skills, providing a positive experience for passengers within a construction setting.

OBJECTIVE

"To secure a position as a Bus Driver with a reputable tour company, utilizing my expertise in safe and reliable transportation services. With a strong commitment to passenger comfort, punctuality, and exceptional customer service, I aim to contribute to creating memorable and enjoyable travel experiences for tourists. Experienced in navigating diverse routes and maintaining a high level of professionalism, I am dedicated to providing a smooth and enjoyable journey while ensuring passenger safety."
