

HASSAN BULEGA

SENIOR CIVIL & ARCHITECTURAL SUPERVISOR

Doha, Qatar | +974 55756693 | Hassan.Bulega@acintercityfm.com

PROFESSIONAL SUMMARY

Experienced and detail-oriented Civil & Architectural professional with a strong background in metro infrastructure, architectural systems and building fabric assets. Skilled in managing work orders, site coordination, technical reporting, root cause analysis and documentation. Currently serving as a Senior Supervisor with demonstrated strengths in performance monitoring, process improvement, and data analysis. Now seeking to transition into the Engineering Department as Assistant Technical Manager to contribute strategic insight, technical leadership, and operational excellence in support of long-term asset sustainability.

EXPERIENCE

SENIOR CIVIL & ARCHITECTURAL SUPERVISOR

ACIFM – DOHA METRO | OCTOBER 2024 – Present

- Leading and coordinating all site teams in managing civil and architectural maintenance across metro assets.
- Preparing documentation and detailed technical & RCA reports on asset conditions for submission to engineering leads.
- Overseeing inspections, rectifications, recommending and implementing appropriate corrective actions in compliance with metro project standards.
- Scheduling and tracking daily Work Order (WO) performance, monitoring trends in closure, identifying workflow interruptions, and highlighting key areas for improvement.
- Coordinating closely with MMS team to ensure efficient work order management, accuracy and data consistency
- Participating in technical audits, risk assessments, failure reviews, engineering proposals, and briefings for metro civil assets
- Training and developing technicians and supervisors on all the maintenance protocols, procedures, documentation, inspections, and safety compliance.

CIVIL SUPERVISOR

ACIFM – DOHA METRO | SEPTEMBER 2018 – OCTOBER 2024

- Lead the maintenance team for civil, architectural, and structural systems across Doha Metro and Lusail Tram Network.
- Supervise and coordinate corrective and preventive maintenance activities in compliance with project specifications and standards.
- Prepare and manage technical documentation including Method Statements, Checklists, Technical Reports, Defect Reports, CARs, NCRs, PRFs, and Incident Reports.
- Conduct regular inspections and root cause analysis on faults; recommend and implement corrective actions.
- Ensure zero-harm safety standards are practiced and enforced onsite.
- Provide technical training, performance reviews, and shift management for maintenance teams.

HANDYMAN

WHITE SOLUTIONS LLC- ABU DHABI (UAE) AL REEF VILLAS | FEBRUARY 2017– JULY 2018

- Responsible for general maintenance and repair activities for a residential property managed by the company.
- Painting of homes, installation of interior finish items including wall protection, framework, electrical equipment, ceilings, plumbing, doors and hardware.
- Performed a variety of housekeeping duties to maintain buildings in an orderly and sanitary condition.
- Removed damaged/defective parts or sections of structures and repair or replace, using hand tools.
