Multi-skilled Trades Worker

Carpentry | Painting | Electrical | Plumbing | Drywall | Flooring | Roofing
Windows & Doors Installation | General Maintenance

Based in Algeria, Djelfa

SUMMARY

I'm reliable handyman with 7+ years of multi trade experience in residential and commercial and industrial settings and hospitals and hotels. Multi skilled in finish carpentry and painting and drywall plumbing and electrical repairs and maintenance. Completed 4,000+ door and window installations and managed large scale painting projects covering thousands of m². Very good in solving problem situations with precision and delivering the work on time. Seeking opportunities to bring expertise, adaptability, and strong work to a growing team.
