PERSONAL PROFILE

Name with Initials : Abdul Rahman Abdul Raheem
Nationality : Sri Lankan
Date of Birth : 15th February 2003
Gender : Male
Marital Status : Un Married
Religion : Muslim
Present Address : Sri Lanka
Languages : English, Tamil, Sinhala
LinkedIn Profile : www.linkedin.com/in/ar-abdul-rahman

ABOUT ME

I am Abdul Rahman, an aspiring Network Engineer with a keen interest in network design, cybersecurity, and infrastructure management. With a solid foundation in networking principles, I am highly motivated to expand my knowledge and gain hands-on experience in real-world environments. I am committed to developing a deep understanding of network systems and contributing to the design and maintenance of secure, reliable, and high-performing networks that support organizational goals and operational efficiency.

PROFESSIONAL EXPERIENCE

Company : Brandix Apparel Solutions
(No. 449, New kalmunai Road, Kovilkulam, Arayampathy, Batticaloa, Sri Lanka.) (+94 (0) 65 4653555)

Position : IT Infrastructure Support (Intern)

Period : 07th December 2024 - 07th May 2025

JOB DESCRIPTION (IT INFRASTRUCTURE SUPPORT)

- System and Network Maintenance: Monitor, maintain, and troubleshoot servers, networks, and hardware to ensure continuous availability and performance. This includes supporting data centers, physical and virtual servers, network devices, and storage systems.
- User Support and Issue Resolution: Provide technical support to end-users for hardware, software, and network issues. Troubleshoot and resolve incidents, escalating complex issues to relevant teams when needed.
- System Upgrades and Patch Management: Manage and implement updates, patches, and upgrades for systems, ensuring minimal disruption to operations and maintaining system security.
- Hardware and Software Management: Support the installation, configuration, and maintenance of hardware and software. Manage licenses and ensure compliance with software usage policies.
- Service Level Management: Monitor and ensure compliance with service level agreements (SLAs), responding to incidents and service requests within agreed timeframes.

Company : Urban Council - Kattankudy
(Main Street kattankudy, Batticaloa, Sri Lanka.) (+94 065 2245925)

Position : IT Infrastructure Support

Period : 07th June 2025 - 07th September 2025

JOB DESCRIPTION (IT SUPPORTER)

- Providing technical support and assistance to end-users, resolving hardware, software, and network-related issues promptly and effectively.
- Installing, configuring, and maintaining computer systems, software, and peripherals to ensure optimal performance and security.
- Assisting with the setup and deployment of new devices, including computers, printers, and mobile devices.
- Responding to IT support tickets and inquiries via various channels, such as email, phone, or ticketing systems, and documenting solutions and resolutions.
- Monitoring and maintaining IT inventory, including hardware and software licenses, and assisting with procurement as needed.
- Collaborating with the IT team to implement IT projects, upgrades, and system improvements, contributing to the overall efficiency of IT operation.
- Staying updated with the latest technological trends and advancements in IT support, continuously enhancing technical skills and knowledge.
- Managing user accounts and access permissions, ensuring data security and compliance with company policies.
- Installing, maintaining, and upgrading systems and software.

Company : Macsar Network & Engineering Service
(No. 373B, Trinco Road, Batticaloa, Sri Lanka.)
(+94 (0) 65 2226864, +94 (0) 65 2228535)

Position : IT Supporter

Period : 10th January 2023 - 08th September 2024

JOB DESCRIPTION (IT SUPPORTER)

- Set up, configure, and maintain desktops, laptops, operating systems, and applications to ensure reliable and secure performance.
- Support the deployment of new IT equipment such as computers, printers, scanners, and mobile devices.
- Maintain accurate records of IT assets, including hardware inventory and software licenses, and support procurement processes when required.
- Responding to IT support tickets and inquiries via various channels, such as email, phone, or ticketing systems, and documenting solutions and resolutions.
- Work closely with the IT team to support system upgrades, migrations, and technology improvement initiatives.
- Manage user accounts, passwords, and access rights while following security standards and organizational policies.
- Monitor IT systems to identify potential issues and take proactive measures to minimize downtime.

- Photography

DECLARATION

I hereby declare that all the above-mentioned information given by me is true and correct to the best of my knowledge.

AR. Abdul Rahman

Manager,
Human Resource Department,
Brandix Batticaloa.
7th May 2025.

TO WHOM IT MAY CONCERN

This is to certify that Mr. **AR. Abdul Rahman**, the holder of **NIC 200304600400** successfully completed his industrial training, which is part of his Higher National Diploma programme from 7th December 2024 to 7th May 2025.

During his training period, he was attached to the IT Department as an Intern in the IT Infrastructure Support job role.

Key Responsibilities of Mr. AR. Abdul Rahman are listed as follows:

System and Network Maintenance: Monitor, maintain, and troubleshoot servers, networks, and hardware to ensure continuous availability and performance. This includes supporting data centers, physical and virtual servers, network devices, and storage systems.

User Support and Issue Resolution: Provide technical support to end-users for hardware, software, and network issues. Troubleshoot and resolve incidents, escalating complex issues to relevant teams when needed.

System Upgrades and Patch Management: Manage and implement updates, patches, and upgrades for systems, ensuring minimal disruption to operations and maintaining system security.

Hardware and Software Management: Support the installation, configuration, and maintenance of hardware and software. Manage licenses and ensure compliance with software usage policies.

Service Level Management: Monitor and ensure compliance with service level agreements (SLAs), responding to incidents and service requests within agreed timeframes.

This Letter issued upon the request of **Mr. AR. Abdul Rahman**.

Yours Faithfully,

Kaleel Shameel

Assured Diploma in Information Technology (DITEC)

NAME: Abdul Raheem Abdul Rahman
 ESOFT ID: E198430
 PEARSON ID: SH56505

Course Overview

The Assured Diploma in IT provides a pathway to obtain a thorough knowledge which covers the topics in line with the current trends in Information Technology. The programme covers 1200 hours of teaching and learning consisting of in-class teaching together with online exercises and self-learning. There are ten compulsory modules together with a practical project that the learner must complete to be eligible for a Pearson Assured certificate. The student’s final project is evaluated on learner’s presentation skills, implementation of the system (knowledge), The use of diagrams to design the system (creativity), and documentation skills.

Assured Diploma in English (DiE)

NAME: Abdul Raheem Abdul Rahman
ESOF ID: E198430
PEARSON ID: SG42205

Course Overview

The Assured Diploma in English course is delivered using the communicative approach to language teaching and learning, which is a recognised teaching methodology practiced around the world, together with a substantial amount of practical exposure. The programme consists of 15 units and 4 assessments. The learner must obtain the pass marks for the MCQ paper including Grammar and Vocabulary, Reading and Writing, Listening and Speaking test including Presentation and viva to be eligible for the Pearson Assured certificate. The assessments are done based on learner's presentation skills, usage of the language in an efficient and effective way in both reading and writing (knowledge), creativity, and effective speaking.

Certificate - Explanatory Notes

Pearson's Qualifications

Pearson qualifications use a variety of grading scales and are offered across a range of levels. Details of our qualifications, grading and levels can be found on our website: qualifications.pearson.com.

Regulated Status of our Qualifications

A Qualification Number (QN) is printed against a title on this certificate where the qualification is regulated in one or more of England, Wales and Northern Ireland. An SQA code and logo is printed where the qualification is regulated by the Scottish Qualifications Authority.

More information on qualifications regulated in England and Northern Ireland can be found at: register.ofqual.gov.uk.

More information on qualifications regulated in Wales can be found at: www.qiw.wales.

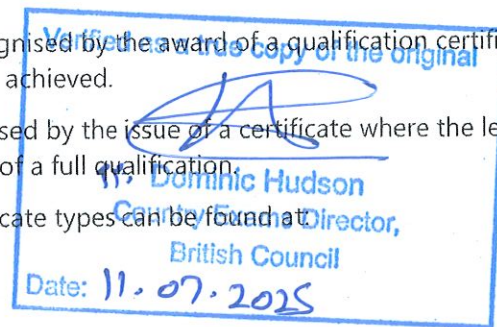

More information on qualifications regulated in Scotland, including the Scottish Credit and Qualifications Framework (SCQF), can be found at: accreditation.sqa.org.uk.

Evidence of Achievement

Successful completion of all programme requirements is recognised by the award of a qualification certificate, and, where relevant, a document that lists the individual units achieved.

Successful completion of individual units may also be recognised by the issue of a certificate where the learner has not or is not intending to, complete all the requirements of a full qualification.

Further information on Pearson vocational qualification certificate types can be found at qualifications.pearson.com/certification.

Conditions of Issue

This certificate is and remains the property of Pearson Education Ltd at all times and is issued in the following conditions:

- any alteration to this certificate renders it invalid;
- this certificate must be delivered to Pearson Education Ltd on request; and
- declining a grade shown on this certificate renders it invalid and it must then be returned to Pearson Education Ltd for cancellation.

Use of an altered certificate could constitute a criminal offence.

Pearson qualifications are administered by Pearson Education Ltd.

Pearson Education Limited. Registered in the United Kingdom with Company Number 872828.

Address for undelivered certificates: Pearson Education, Hellaby Industrial Estate, Fretwell Road, Hellaby, Rotherham, S66 8HN.
