

IGNATIUS MAGEMBE ONDIEKI

Senior MEP Technician / Electrical Supervisor

Email: ignatiusmagembe96@gmail.com | Tel: +974 3367 5895 / +254 748 484 539

Location: Doha, Qatar | Nationality: Kenyan | Availability: Immediate

PROFESSIONAL PROFILE

Highly skilled Senior MEP Technician with over 7 years of hands-on experience in electrical, HVAC, and fire life safety systems across large-scale infrastructure and hospitality environments. Experienced in 24/7 operations, emergency response, preventive maintenance, and strict safety compliance—well suited for cruise ship technical operations. Proven team leader with strong fault-finding skills, excellent discipline, and ability to work under maritime-style operational procedures.

CORE TECHNICAL COMPETENCIES

- Marine & Building Electrical Systems: LV Panels, DBs, MCCs, VFDs, Control Circuits, Emergency Power
- HVAC & Mechanical: AHUs, FCUs, VRF/VRV Systems, Chillers, CRAC Units, Ventilation Fans
- Fire Life Safety: Siemens, Protec & Eaton Fire Alarm Systems, Emergency Lighting
- Plumbing & Pumps: Booster Pumps, Sewage & Submersible Pumps
- Maintenance Operations: Planned Preventive Maintenance (PPM), Corrective & Breakdown Maintenance
- Safety & Compliance: Permit to Work (PTW), LOTO, Risk Assessment, Toolbox Talks
- Leadership: Team Supervision, Shift Coordination, Incident Reporting

PROFESSIONAL EXPERIENCE

Mechanical Supervisor – Aktor Como Intercity Facilities Management

Doha Metro & Lusail Tram (Qatar Rail) | June 2024 – Present

- Supervise MEP operations for mission-critical rail infrastructure with continuous operation requirements.
- Lead technicians in PPM and corrective maintenance for electrical, HVAC, and pumping systems.
- Act as Person In Charge (PIC Level 1), controlling site access and enforcing safety procedures.
- Conduct root cause analysis on recurring electrical faults to minimize downtime.

Electrician / Fire Alarm Technician – Maxim Trading & Contracting Co. W.L.L

Qatar | Nov 2021 – June 2024

- Installed, tested, and maintained electrical and fire alarm systems in hospitality projects.
- Ensured full compliance with Qatar Civil Defense (QCD) fire safety regulations.

Fire Alarm Maintenance Technician – Gulf Net Trading & Contracting

Qatar | Jan 2020 – May 2021

- Maintained addressable fire alarm panels and emergency lighting systems.
- Performed periodic inspections to ensure full life safety readiness.

Electrical Supervisor – Power Controls Ltd.

Kenya | Feb 2018 – Dec 2019

- Supervised electrical installation teams for industrial and residential projects.
- Oversaw assembly, testing, and maintenance of control panels and transformers.

CERTIFICATIONS & EDUCATION
