Professional Title

Heavy Vehicle Driver | Fleet & Transport Operations Supervisor | Logistics & Container Handling Professional

Professional Summary

Licensed Qatari Heavy Vehicle Driver with over 15 years of proven experience in long-haul, cross-border, and industrial logistics operations. Skilled in operating heavy trucks, trailers, and lowbeds, as well as supervising transport teams, ensuring safety compliance, and coordinating deliveries for oil, energy, and UN projects. Based in Doha with transferable QID and extensive exposure to fleet coordination, HSE adherence, and cross-functional logistics. Committed to operational safety, punctuality, and service excellence within Qatar's energy and logistics sector.

Core Competencies & Key Skills

- Heavy Truck & Trailer Driving (Long-Haul & Local)
- Fleet & Driver Supervision
- Logistics Coordination & Route Planning
- Container Handling & Yard Operations
- Safe Driving Practices & Defensive Driving (HSE Compliant)
- Road Transport Compliance & Licensing (Qatar & Regional)
- Cargo Securing, Lashing & Safe Handling
- Maintenance Oversight & Basic Mechanical Troubleshooting
- HSE / HSSE Practices, Incident Reporting & Near-Miss Investigation
- Documentation: BLs, PODs, Waybills, Delivery Notes
- Stakeholder Liaison (Clients, Contractors, Forwarders)

- Computer Literate – MS Office / Basic Fleet Records
- Multilingual Communication: Arabic (Native), English (Basic Working)

Professional Experience

Heavy Vehicle Driver – Al-Watan Furniture Factory – Doha, Qatar

May 2025 – Present

- Operate medium and heavy trucks (up to 10 tons) in compliance with Qatari transport regulations.
- Execute safe and timely furniture deliveries across Doha and nearby regions.
- Manage delivery documentation: invoices, proof of delivery (POD), customer sign-offs, and handover confirmation.
- Conduct pre-trip inspections, report defects, and coordinate annual registration and vehicle servicing.
- Demonstrate professional driving discipline and safety in congested urban routes and warehouse environments.
- Provide feedback to logistics and production teams to enhance delivery efficiency and customer satisfaction.

Heavy Truck & Trailer Driver (Freelance) – Khartoum, Sudan

Jan 2007 – Nov 2023

- Operated heavy trucks and trailers across Sudan, South Sudan, and Ethiopia, transporting cargo, construction materials, and fuel.
- Supported logistics for UN missions (UNAMID, UNITAMS): coordinated deliveries to camps, bases, and humanitarian hubs under security protocols.
- Performed subcontracted transport operations for international oil companies, ensuring on-time, secure cargo movement.
- Maintained accurate trip logs, maintenance records, and fuel reports.
- Trained junior drivers in defensive driving, cargo securing, and preventive maintenance.

Self-Employed – Transport & Vehicle Sales Sector – Khartoum, Sudan

Jan 2010 – Jan 2023

- Bought and sold commercial trucks, vehicles, and spare parts; negotiated with suppliers and buyers.
- Managed short-haul logistics operations and coordinated deliveries for clients.
- Maintained long-term business relations with transport contractors and fleet service providers.

Selected Achievements & Strengths

- 15+ years' record of accident-free heavy vehicle operations across challenging routes.
- Proven reliability delivering for UN and oil companies in difficult environments.
- Skilled in vehicle inspection, fault identification, and coordination with workshops to minimise downtime.
- Recognised for punctuality, professionalism, and integrity in handling valuable and time-sensitive cargo.

Education

Diploma in Computer Engineering – University of Gezira, Wad Madani, Sudan
Dec 2003 – Dec 2006

Licences & Certifications

- Valid Qatari Heavy Vehicle Licence – Trucks, Buses & Medium Vehicles
- Sudanese Driving License (Light and Heavy Vehicles)

Technical Skills

- MS Office: Word, Excel (basic record and log management)
- Vehicle logbooks, delivery documentation systems
- Basic mechanical fault diagnosis and maintenance coordination

Languages

- Arabic – Native
- English – Basic working knowledge (able to follow instructions, complete paperwork; open to improvement)

Availability

- Immediate availability for interviews; residing in Doha.
- Transferable QID and NOC available upon request
