🎯 Objective

Experienced and highly skilled Senior Electrician and HVAC Technician with over 13 years of expertise in electrical and HVAC systems installation, maintenance, and troubleshooting. Seeking to contribute technical knowledge and leadership abilities to a dynamic team. Adept at supervising projects, ensuring safety compliance, and providing efficient solutions for complex electrical and HVAC issues. Committed to delivering high-quality service and maintaining operational excellence in all electrical, HVAC, and equipment systems.

📁 Experience

○ **Bata Pakistan Limited** *Aug-2012 - Sep-2017*
(G) Electrician

- Installed, maintained, and repaired HVAC systems including refrigeration units, air handling units, and ventilation systems in commercial settings.
- Performed preventative maintenance on HVAC equipment to ensure optimal performance, energy efficiency, and compliance with safety standards.
- Troubleshoot and resolved HVAC system failures promptly to minimize operational downtime.
- Coordinated with facility management to schedule inspections and maintain environmental comfort and air quality standards.

○ **The Indus hospital and health network Manawan** *Sep-2017 - Dec-2023*
Senior technician maintenance

- Managed the installation and servicing of UPS systems and ensured seamless automatic transfer switch (ATS) operation during power outages.
- Enforced strict compliance with electrical codes and hospital safety standards, conducting regular risk assessments.
- Supervised project coordination for electrical upgrades and new system integrations.
- Additionally performed maintenance and servicing of HVAC systems to ensure climate control and ventilation systems operated reliably in critical healthcare environments.

- **Mayo Cancer Care Hospital Manawan** *Dec-2023 -
July-2025*
Senior technician maintenance
· Maintained and serviced critical life-safety and medical electrical systems in a high-stakes healthcare environment.
· Performed scheduled and emergency maintenance on UPS systems, emergency power supplies, and patient care equipment to ensure 100% operational readiness.
· Coordinated with clinical staff to perform risk assessments and address electrical issues with minimal disruption to patient services.
- **KFC restaurant** *Aug-2025 -
Current
employee*
Technician support
· Provided technical support and ensured the operational readiness of all equipment.
· Performed rapid troubleshooting and repairs to minimize downtime in a fast-service environment.
· Implemented preventative maintenance schedules for refrigeration, HVAC, and electrical systems to enhance equipment longevity and performance.

Education

- **Govt high school atto ke awan** *2007*
Matric
- **Punjab Board Of Technical Education TEVTA** *2012*
(G) Electrician (3years)

Achievements & Awards
