

UMER JAVED

Architectural Technical Draftsman 📍 Doha, Qatar | 📞 +974 55062775 | ✉️ umerjaved431@gmail.com
Status: **Valid QID & NOC** / **Immediate Joining** / *B.Arch Degree*

PROFESSIONAL SUMMARY

Detail-oriented **Architecture Professional** with 6 years of international experience in architectural drafting and 3D visualization. Specialist in producing high-precision **AutoCAD Shop Drawings** with a focus on structural connections, joinery details, and architectural hardware integration. Expert in **SketchUp 3D Modeling**, with a proven ability to translate complex design concepts into realistic models and buildable technical plans. Strong communicator with a background in international scholarship programs.

TECHNICAL SKILLS

- **Drafting:** Advanced **AutoCAD (2D/3D)** – Expert in complex sections and blow-up fixing details.
 - **3D Modeling:** Expert in **SketchUp** – Creating detailed architectural and component models.
 - **Technical Detailing:** Specialized in fixing details, steel-to-concrete connections, and hardware schedules.
 - **Joinery & Fit-Out:** Deep understanding of material assembly (Metal, Wood, Glass).
 - **Software:** MS Office (Excel for BOQs and schedules), Adobe Photoshop.
-

KEY PROJECT EXPERIENCE: TECHNICAL DETAILING & ASSEMBLY

Technical Draftsman / Lead Coordinator | 45-Year-Old Facility Restoration

- **Hardware & Fixing Detail:** Developed specialized shop drawings for new architectural elements, focusing on secure bolting and fixing methods into the existing legacy structure.
 - **3D Visualization:** Utilized **SketchUp** to model structural challenges and present fixing solutions to the engineering team.
 - **As-Built Accuracy:** Conducted rigorous site surveys to verify structural dimensions, ensuring all manufactured components fit perfectly on-site.
 - **Component Scheduling:** Prepared detailed schedules for doors, windows, and architectural hardware to ensure 100% procurement accuracy.
-

PROFESSIONAL EXPERIENCE

Technical Draftsman (Architectural) | Saudi Arabia (KSA) 1 Year (GCC Experience)

- Produced detailed architectural layouts and shop drawings for commercial projects, focusing on high-quality finishes and structural attachments.
- Collaborated with the site team to ensure that specified bolts, fixings, and tools matched the technical requirements.

Junior Architect / Draftsman | Pakistan 5 Years

- Created comprehensive sets of architectural drawings, including floor plans, RCPs, and detailed sections.
 - Managed the filing and tracking of all project revisions using AutoCAD and Excel.
-

EDUCATION & CERTIFICATIONS

- **Bachelor of Architecture (B.Arch)** Imperial College of Business Studies | 2016 – 2021
 - **English Language Scholarship (2-Year Program)** U.S. Consulate General, Lahore, Pakistan | *Certification of Achievement*
-
