» Profile

I am a highly motivated and passionate professional Engineer who has keen interest in Innovation and Change. He is an experienced instrumentation engineer with a demonstrated history of working in the engineering and technical industry.

A highly competent individual driven by a strong work ethic. Excellent communicator with good presentation skills and interpersonal understanding. Confident team worker with the ability to work on own initiative. Tactful with a practical approach to problem solving seeking an opportunity to work in a dynamic environment where his professional and personal skills can be effectively utilized to aid the growth, profitability and rapid expansion of the organization.

» Work Experience

Daewood E & C Nigeria Limited DN 41 (NAOC) NLNG Phase III Gas Supply PJ (1Year)

- Instrument Cable Pulling Cable Glanding / Termination
- Calibration of pressure gauge using dead weight
- Calibration of temperature transmitter using hart communicator
- Calibration of different pressure transmitter using hart communicator
- Calibration of flow transmitter using hart communicator.

Daewood E & C Nigeria Limited (DN-57) Ogboinbiri Flow Station Upgrade (NAOC)

Instrument Technician (½ Year)

- Electrical Maintenance
- Instrument Cable Termination
- Cable PULLING
- Cable Instrument Arrangement

Amsek Oil and Gas Services, Warri, Nigeria.

Instrumental Engineer (On-the-Job Training) (1 Year)

- Calibration of pressure gauge using hydraulic pump.
- Disassembling & assembling of measuring instruments for maintenance & calibration purpose.
- Calibration of pressure gauge using dead weight
- Calibration of temperature transmitter using hart communicator
- Calibration of different pressure transmitter using hart communicator
- Calibration of flow transmitter using hart communicator
- Calibration of control valves using precision pneumatic calibration & digital calibrator.
- Knowledge of instruments & function symbol.
- Reading of process & instrument diagram (PID).
- Operation of level (PID) controller for setting set point in controlling process.

- Introduction to programmable logical controller (PLC): Allen Bradley PLC, Siemens PLC, Schneider Electric Plc.
- Introduction to supervisory control & Data acquisition software (SCADA) wonder ware intouch, VijeoCitech, proficylix, Factory Talkview.
- Hardware configuration of Schneider Electric PLC to CPU.
- Hardware configuration of then Bradley PLC to CPU.
- Interfacing Siemensplc with wonder ware intouch SCADA using kepsserver Software
- Interfacing Siemens PLC with ifixSCADA usingkepsracer software.
- Interfacing Schneider Electric PLC with proficylix SCADA kepsserver software
- Operation of variable frequency drive (VFD)
- VFD installation, wiring and configuration
- Operation of human machine interface (HMI) using Vijeo – design software by Schneider Electrical.

Topline Nigeria Limited (1 Years

- Maintenance of Instrument Equipment
- Pulling of FOC Cable
- Termination of Instrument Cables
- Installation of Instrument Devices
- Installation of Cable Support

Project Analytical Skills

Operation of Primavera P6 software for:

Developing project schedule (activity, list, calendars) monitoring projects performances planning, project risk management.

» Skills

- Effective oral and written communication
- Effective leadership skills
- Strong and advanced technical and Instrumentation skills
- Strong communication, organizational and interactive skills
- Strong research capabilities
- Problem solving skills through dedication and drive as a hardworking individual
- Excellent interpersonal skills
- Business strategy Skills
- Enthusiastic team player with team management ability
- Social media management
- Time management skills
- Proficient in the use of Microsoft Office Suite

» Education

- **Creative Technology Institute for Oil & Gas & Process Industry North PrevueErnakullam Kerala, India.**

Diploma Instrumentation & Control Engineering Instrumentation Calibration Practical Course (2011)
- **(Certified attested by Schneider Electrical & GE. Fanuc)**
Certificate in Automation Engineering (certified by ISO9001: 2008 & Del Norske Veritas DNV. Norway)
- **SMEC Automation Labs**
(Authorized Trainer on schelder Electrical & GE. Fanuc) Kaloor, Kochi – 17, India) (2011)
- **Institute of Management & Technology Enugu**
National Diploma Civic Engineering (ND) Upper Credit (2007)
- **Ekpan Secondary School, Delta State**
Senior School Certificate Examination (SSCE) (2001)
- **Ighogbadu Primary School, Warri.**
First School Leaving Certificate (FSLC) (1995)
- **Certification in Project Management using Primavera P6 Software**
(Certified by ISO9001:2008) Lakhotia Computer (LCC) Kochi- 31 India (2011).
