WORK EXPERIENCE

BUS DRIVER

Elegancia Facilities Management / Shahanya / Qatar

Safely operated buses on assigned routes, transporting passengers on schedule. Conducted vehicle inspections and reported maintenance needs. Assisted passengers with boarding, fares, and accessibility needs. Maintained accurate logs and records while ensuring a clean, safe environment. Handled emergencies and route changes calmly and efficiently.

TRUCK WITH BUS DRIVER

Asklan Contacting And Agriculture Qatar / Industrial Area / Qatar

Transported laborers safely to worksites, then operated trucks at the site for material handling. Performed pre-trip inspections and ensured vehicles were maintained in good condition. Assisted with loading/unloading materials and coordinated with team for smooth workflow. Maintained logs, followed safety protocols, and adapted to changing site conditions.

TRAILER AND TRUCK DRIVER

Scrap Al Saghy / Industrial Area / Qatar

Operated trucks and trailers safely on local and long-haul routes, ensuring on-time deliveries. Conducted vehicle inspections and maintained compliance with DOT regulations. Managed cargo securely, preventing damage and loss. Maintained accurate logs of mileage, fuel, and hours of service. Coordinated with dispatch and clients to optimize routes and delivery schedules.

DRIVER

Cloud Eats Kitchen / Madina Khalifa / Qatar

Managed daily loading of food and kitchen supplies into pickup truck for delivery to 15 restaurant locations. Delivered items efficiently and systematically, ensuring each restaurant received correct inventory on time. Performed purchasing duties, sourcing fresh ingredients and kitchen essentials based on each restaurant's needs. Maintained accurate records of deliveries and purchases, contributing to smooth inventory and kitchen operations. Demonstrated strong time management, organization, and reliability across multiple delivery and procurement tasks.

MINI BUS DRIVER

Wooden Bakery / New Industrial Area / Qatar

Managed daily pick-up and drop-off of employees, ensuring punctuality and safety. Maintained vehicle cleanliness and performed routine checks for proper functioning. Planned efficient routes to optimize time and reduce travel delays. Assisted employees with boarding, luggage, and other transportation needs. Maintained logs of trips, mileage, and fuel usage for reporting purposes.
