PROFESSIONAL SUMMARY

Experienced Electrical Technician specializing in industrial electrical systems and automation. Proven track record in performing preventive maintenance and troubleshooting electrical equipment. Knowledgeable in PLC programming and control systems. Strong analytical skills and attention to detail, ensuring optimal performance and reliability of electrical installations while adhering to industry regulations.

Objectives:

- ❖ To be integral part of an organization and profession group striving for quality and excellence. Desire to apply knowledge, education, Experience and Exposure gained so far to update myself with the latest technological trends and contribute to its implementation.

Professional Experience in INDIA:

1. Project:

- **Position** : Electrical Technician.
- **Company** : Edison Electrical work Limited.
- **Duration** : June 2007 to June 2008.
- **Place** : Tamilnadu.

2. Project:

- **Position** : Electrical Technician.
- **Company:** Global Institute for Inspection Technology.
- **Duration** : June 2008 to June 2009.
- **Place** : Tamilnadu.

3. Project:

- **Position** : Electrical Technician.
- **Company:** Sri Angalamman Enterprises Pvt.Ltd.
- **Duration** : February 2009 to February 2010.
- **Place** : Tamilnadu.

4. Project:

- **Position** : Electrical Maintenance
- **Company:** Rane Trw Streering System Ltd.
- **Duration** : August 2010 to August 2012
- **Place** : Tamilnadu.

Professional Experience in GULF:

5. Project:

- **Position** : PMI Technician and PWHT.
- **Company** : Sogec Ndt Division Ikk(Group).
- **Duration** : February 2014 to May 2014.
- **Place** : Dammam,Saudi Arabia.

6. Project:

- **Position** : General Electrical Technician.
- **Company** : Digital High Voltage.
- **Duration** : February 2017 to Sep 2017
- **Place** : Qatar, Doha.

7. Project:

- **Position** : General Electrical Technician.
- **Company** : EME Solution Lanka Pvt.Let.
- **Duration** : October 2017 to May 2018.
- **Place** : Maldives, Male.

8. Project:

- **Position** : General Electrical Technician.
- **Company** : Digital High Voltage
- **Duration** : May 2021 to Apr 2023
- **Place** : Qatar,Doha

9. Project:

- **Position** : General Electrical Technician.
- **Company** : Q-TECH Switchgear WLL
- **Duration** : September 2023 to Still
- **Place** : Qatar, Doha

Electrical Job Responsibilities

- Assembled, installed, tested, and maintained electrical wiring, equipment, appliances, and fixtures using hand and power tools.
