

# ELIZABETH ANTÓNIO MITANGE

Luanda, Angola | +244 935 161 710 | elizathmitange@gmail.com

## PROFESSIONAL SUMMARY

Electromechanical Engineer with 7+ years of experience in maintenance, diagnostics and field service of heavy industrial equipment. Proven expertise in preventive and corrective maintenance, diesel engines, hydraulic systems and electronic diagnostics. Strong focus on HSE compliance, operational efficiency and equipment reliability within industrial and Oil & Gas environments.

## CORE COMPETENCIES

Heavy Equipment Maintenance  
Industrial Equipment Diagnostics  
Diesel Engines & Mechanical Systems  
Hydraulic Systems Fundamentals  
Electrical & Electronic Troubleshooting  
Preventive & Corrective Maintenance  
Field Service Operations  
Technical Customer Support  
Industrial Safety (HSE Compliance)  
Equipment Reliability

## PROFESSIONAL EXPERIENCE

### General Mechanic – Field Service | Barloworld Equipamentos Angola (2017–Present)

- Diagnose mechanical and technical failures in heavy and industrial equipment including Caterpillar machinery.
- Perform preventive and corrective maintenance ensuring equipment reliability and performance.
- Provide field service support and repairs at customer facilities.
- Identify and organize spare parts and materials for maintenance interventions.
- Provide technical assistance to multiple industrial clients.

### Mechanical Intern | PRODEL (2016)

- Assisted in generator repair and maintenance.
- Performed cleaning and maintenance of electrical busbars in a 15kV electrical room.

## EDUCATION

- Bachelor's Degree in Electromechanical Engineering – Universidade Óscar Ribas (2012–2017)
- High School Diploma in Industrial Maintenance – Instituto Médio Politécnico do Cazenga (2007–2010)

## **TECHNICAL TRAINING & CERTIFICATIONS**

- Service Mechanic Certification – NQF Level 2
- Service Mechanic Certification – NQF Level 3
- Diesel Mechanics
- Basic Fuel Service Troubleshooting
- Service Information System 2.0
- Electronic Technician (E.T)
- Basic Hydraulic Fundamentals
- Basic Engine Fundamentals
- Forklift Operator (2.5t, 10t, 18t)
- Caterpillar Equipment Operation
- Overhead Crane Safety Operation
- Defensive Driving
- First Aid

## **ADDITIONAL SKILLS**

- English Language
- Computer Skills
- Computerized Secretariat
- Valid Driver's License
