About Me

A Driver will ensure the safety and comfort of their clients through providing their driving services. The main responsibility is to safely transport either cargo or passengers from one location to another. They must follow traffic laws and correctly route themselves, ensuring that there is enough gas in the tank at all times for their destination. I have communication abilities so they can establish relationships both professionally as well as personally on the road while still maintaining safe driving practices at all times.

Professional Experience

BATOOL EVENTS , AL THUMAMA
