Warehouse order picker

Al Maya Supermarket, Dubai

Apr 2024 - Mar 2025

- Efficiently picked and prepared orders in a fast-paced warehouse environment to meet daily shipment targets.
- Maintained high accuracy levels by carefully verifying item codes and quantities before dispatch.
- Collaborated with the inventory team to update stock records and report discrepancies promptly.
- Assisted in loading and unloading shipments, ensuring timely processing and delivery of orders to customers.
- Optimized order picking routes to reduce retrieval time and increase overall warehouse efficiency.

Order picker

West Zone fresh Supermarket, Dubai

Jun 2025 - Jan 2026

- Selected and gathered products according to order lists ensuring complete and accurate fulfillment in a timely manner.
- Monitored inventory levels and communicated with supervisors to report low stock or potential shortages.
- Utilized handheld scanning devices to record order information and update warehouse management systems.
- Followed strict quality control procedures to ensure picked items met company standards.
- Coordinated with shipping and receiving departments to prioritize orders and streamline workflow.
- Assisted in training new order pickers on warehouse procedures and safety regulations.
- Maintained detailed records of order discrepancies and coordinated with the logistics team to resolve issues swiftly.
- Participated in regular safety drills and adhered to all warehouse safety standards to minimize workplace accidents.
- Streamlined the order verification process by cross-checking the product batch numbers and expiration dates to ensure quality compliance.
- Efficiently picked and prepared orders in a high-volume warehouse to meet strict daily shipment deadlines.
- Verified item codes and quantities against order sheets to maintain accuracy before dispatching shipments.
