Doha, Qatar

EDUCATION

**Bachelors of Mechatronics and
Autonomous System Engineering**

Auston University

2024-2025

**Higher National Diploma in
Mechanical Engineering**

**Chindwin Technological
University**

2020-2023

SKILLS

- Good communication
- can work with teams
- manage the project management

Education

HND in Mechanical Engineering	Pearson Education	Chindwin College	2021 - 2024
Bachelors' in Mechatronics Engineering	Liverpool John Moores University	AUSTON College	2024 - 2026

Work Experience

Admin [2018 - 2021]

Automotive industry | 3 years |

- worked as an active employee in which to communicate with coworkers and customers

Bachelor's project [2025]

Chess play robotics arm

- learned and applied Python programming for robotics arms in which to play chess
- calculated the actual distance of the robotics arms and the object
- assisted in testing and improving robotic arm performance

Volunteer Experience

Rotaract Club of CTU | Volunteer during HND studies

Skills

- can management the project management
- communicate with people very well
- can work with teams

Languages

English: Upper-Intermediate (British Council)
